

The logo features the text "43RD ANNUAL" in a small, bold, black sans-serif font at the top left. Below it, the word "Gelbvieh" is written in a large, black, cursive script. Underneath "Gelbvieh", the word "GOLD" is written in very large, bold, yellow capital letters with a thick black outline. The background of the entire image is a soft-focus photograph of a cornfield with tall stalks and green leaves, with a bright light source creating a lens flare effect in the lower-left quadrant.

CCRK Willow 5209c is a stylish deep-sided Western Hauler female, who goes back to Carolina Fortune on the bottom side of the pedigree. This fancy female has looks and an awesome set of numbers to boot. She will make an excellent Jr. show Prospect or Foundation female for anyone's herd. Proceeds from this Heifer will go to help the Iowa Jr. Gelbvieh Association raise funds for them to host the National Jr. Gelbvieh Show in 2018. Thanks to Crooked Creek Cattle Co. for their donation of this young heifer.

GBOI *Junior Heifer Futurity*

The Gelbvieh Breeders of Iowa have added a Junior Futurity Class to the 2016 Iowa State Fair. Any junior purchasing a Futurity Heifer from the 2016 Gelbvieh Gold Sale will be eligible to show in this Futurity Class. Futurity eligible heifers are listed in the footnote and the entry fee is paid by the seller. Winners of the futurity class will win cash prizes. Complete details will be available at the 2016 Gelbvieh Gold Sale. Please inquire to any of the GBOI officers or board of directors.

This is a really powerfully made cow that you wish you could have a whole herd of. She comes from cow that has put three lots in this sale in the past and the popular Angus sire EXAR Upshot. She is big middled, smooth made, and has excellent feet and leg structure. The best part about this lot is the hard work is already done; she has a beautiful little heifer calf at side out of the popular sire Good Night. Genomic enhanced EPDs. Futurity Eligible. At the only show we have taken her to, 4232B was selected Res. Gr. Ch. Bred & Owned PB Female at the 2015 MO State Fair. This heifer is long and extended, wide topped and bold sprung. She is a natural daughter of one of our most esteemed donors, BTI Lady Granite 2132P, who is still one of my favorite cows to look at in the pasture, even at 12 years old! She also goes back to the famed Lee Ann cow family that did so much good for Verner Farms and many breeders since. She has already been a winner in the showing. Don't miss this opportunity! 10	2.8	72	103	17	53	1	-0.24	35	0.44	-0.19	62.85

Futurity Eligible. Lady 57 is one heifer you will want to take a look at! Out of Beastron's Passion bull, winner of the 2011 Champion Breeder's Choice Futurity and Champion Bull at the NWSS, she looks identical to her sire. On the maternal side, her dam is out of the ever famous, Freedom. This is one heifer with a lot of width and depth of body to her long frame. She would make an excellent show heifer for a new exhibitor and a great donor on down the road. Just watch how she can get out and move in the show ring or in your pasture! Sells open.

CCRK Shockwave 4253B has it all calving ease, moderate frame, big footed, walks a full stride and he has tons of muscle, exceptional disposition and performance. He is out of an excellent uddered Feddes Big Sky R9 female that we have now sold to become a donor female to continue her legacy, and DLW Red Power 583U. Shockwave is the perfect bull for any cattleman's herd. Make sure to look him up on sale day.

This bull is a son of Beastron's Passion bull, the Champion Breeder's Choice Futurity Winner and Champion Bull at the 2011 National Western Stock Show. His dam goes back to the Twila cow family and is one of the top donors for the Post Rock Cattle Company. Lots of well-known champions in this guy's pedigree! He is a bull of moderate frame with lots of length to his spine, a wide top, and depth of body. He's sure got a stride that will get out and cover lots of cows for you!

A great young herd sire prospect that has an awesome pedigree. His dam was my first Gelbvieh show heifer and is still settling first time, every time. Longevity of cows and bulls in our cow/calf operation is must and his dam has it. Cows that produce year after year without any problems are the moneymakers; 10C9 will sire those types of cows. Sired by the popular Angus bull SAV Brilliance gives 10C9 the hybrid vigor that will produce scale busting, yet structural correct and functional cattle.

Mr. Captain Red is first and only purebred bull out of herd bull Big Al, who is now deceased. Big Al was a great Decade son and out of CPGG Sally, who is also deceased. As you can see this 88% Gelbvieh bull has all the parts to be a very good herd bull. His dam's sire is out HYEK Zambino that we bought from Cibs Gelbvieh. He has a big hip, good footed and will put pounds on your calves. If buyer wishes we will take him home and keep him until April 1.
