NORTH DAKOTA GELBVIEH ASSOCIATION

www.ndgelbviehassociation.com

Founded in 1982 with 6 members. Today there are approximately 60 members. The North Dakota Gelbvieh Association (NDGA) sponsors the annual "Golden Rule" sale. This sale is one of the longest running, most successful state association sales in the nation. North Dakota ranks 4th in the nation for active cows and 5th in the nation for registered cows. According to the American Gelbvieh Association (AGA), North Dakota is the most aggressive state in the nation for promoting the Gelbvieh breed.

1 Pick of Prairie Hills Gelbvieh Bred Heifers

2020 marks 35 years in the Gelbvieh breed for us at Prairie Hills Gelbvieh. To mark this momentous occasion, we are doing something we have never done before – we are opening our gates to the world. Here is your chance to sort through 27 females in our bred heifer pen and find the female that is the perfect fit for your operation. In the past, these females have topped the Golden Rule sale, have gone on to be donor females, and have raised countless sale toppers and champions. There is no doubt that the females in this group have potential to do great things. Of the females to choose from, sires include: DDN Dirt Road, DVE Davidson Jackson, PHG Legacy, RWG Yikes, DTKF Emotions Sucker Punch, DCHD GBG Dozer, and PHG Paycheck. All females are ultrasounded for fetal sex and calving date. There is a combination of AI and natural service sires, including: LWHF Super Flex, MCCA Cornhusker Red, MDR N.H. Blackout, and JRI Secretariat. Calving dates range from 2/23 through 4/12.

If you are looking for a high percentage, outcross female, here is your chance - 20 out of 27 carry a breed makeup of 91% or higher. Don't miss this opportunity to select from the heart of one of ND's oldest herds, and one of the largest groups of purebred females in the United States!

Pick must be made by February 20, 2020, unless other arrangements have been made with PHG. Contact Clint or Galen for full details on the heifers available.

Lot 1 Reference: PHG Epiphany E730 2017 PHG Bred Heifer

2 Pick of Chimney Butte Ranch Open Heifers

PICK OF ANY 2019 BORN CHIMNEY BUTTE FEMALES FEMALES

Over the past 25 years, Chimney Butte has brought many high end bred and open females to the Golden Rule sale. Many of these females have become donor cows and many have influenced herds from Alabama to Washington state, and Oklahoma to Minnesota. This is the first time we have made this offer!!

We are offering your choice of any 2019 born heifer in the pen!! Including A-I sired and ET calves. Many of these heifers are daughters and grand daughters of Dams of Merit, and Dams of Distinction. Most are purebred, and some balancers. Red and black, most will be homo polled.

Chimney Butte raised sires represented include: DCH X102, DCH C134 Collegian, DCH C169, DCH D410 Stock Options.

Breeders Choice Futurity Champion sires include: Great Divide, Trump Train, and Eminence.

Breed Influencing sires include, our senior herd sire JOB 53B Choco, MCCA Cornhusker Red (deceased and no semen available) and others.

Over 100 heifers to choose from, every one bred and raised by us. These heifers are from a working, not show oriented herd. Your pick should make a positive influence on the future of your herd. We would appreciate your decision by April 1 2020.

SELLER: Five Pine Cattle Co GE EPDs

Selling the opportunity to flush BEA 9072W, the Beastron bred red homozygous polled donor. She came to Five Pine Cattle Co as a featured donor purchase in the Bachman dispersal. 9072W is the dam of BEA Closer 301A and FPCC Fiona, a high selling open heifer in the 2019 Golden Rule Sale. She is a direct daughter of BEA 7001T, foundation donor with an unmatched production record for Beastron Gelbvieh. BEA 9072W is open and ready to flush averaging over 12 transferable embryos per flush.

Terms and conditions of the Flush Opportunity

Buyer may flush the cow to the bull of your choice. Buyer is guaranteed 6 freezable embryos with a guarantee of 3 pregnancies. All embryos over 6 in the flush are available at the prorated selling price of the flush per embryo. Embryos must be placed by a certified embryologist.

Buyer provides semen and all shipping cost of semen and embryos. Buyer is responsible for all flush and freeze cost. She is being flushed at TransOva.

This is the first opportunity to purchase embryos from GBG stock and what better to start with than the great SGAR 725T dam who we raised out of our DCHD 117L bull, son of PD Resource 197E51. 725T has put some great ones in our herd and the herds of others. Sires she has produced include DCHD 725Y-a Roy son who was the 2012 NWSS Reserve Spring Bull Calf, 171C ET-an Alumni son we used in our herd, 024C ET Corona, an Exclusive son who was in our 2016 NWSS show string and of course 217C ET Captain Morgan, another Exclusive son who is a lead sire in our herd and definitely a family and visitor favorite.

One of our favorites all year, we really wanted to keep this female at home. She is sired by the At Ease A357 sire that has done so well for us and her dam's first calf sold to Rippe Gelbvieh in Nebraska. She is due on March 1 with a bull calf sired by the Danell Choco 53B sire. The genetic merit of this female is reflected in her excellent EPD profile. SELLER: LOST RIVER LIVESTOCK GE EPDs
We have a hard time selling Royal G218 but this sale demands quality and we feel this female is pretty special. Just the fact that she is a red, purebred Gelbvieh adds to her value but that isn't her only valuable trait. She brings an outcross pedigree to the table with an excellent disposition, a great phenotype and very strong EPD's. She is long bodied, wide and deep through her middle one-third and gets out and moves with great flex to her pastern and set to her foot. Royal G218 also has great EPD strength with top 30% CED, top 40% growth, top 10% REA and top 40% FPI.

Retaining 50% semen interest. When we started sorting through our calves this year we knew early on that Gibbs would be a special bull. This is our first year using Bullerman's Jackson and he sure didn't disappoint. Gibbs' power and thickness is unmatched, and he is a smooth made, clean fronted bull. He is halter broke and ready to work!

Retaining 50% semen interest. An exciting Bad Whiskey son that comes from one of the most prolific cow families in our herd. The 4 time Dam of Merit that has found her way to the donor pen for our program after weaning 4 with a nursing ratio of 112. His full sibling was tied for high selling bull at last year's Golden Rule Sale. Docility runs in the genes with this mating as he is one of the quietest bulls we have had the opportunity to work with! That Guy is halter broke and ready to go!
