Welcome to the Prairie Grove Gelbvieh Complete Dispersal

Welcome everyone to the Prairie Grove Gelbvieh's complete dispersal sale! Greg, Dawn L., Emily and Cade Cameron have found it hard to be writing this as it means sale day is upon us and the cow herd will soon be sold. At PGG we have strived and endlessly worked hard to have produced a strong gelbvieh influenced herd. However, our time has come to disperse the herd as we haven't had the best luck in locating a farmstead to suit our needs.

Prairie Grove Gelbvieh started in the Summer of 1993 when Don Taeger (step-dad) and Greg Cameron bought a red commercial Gelbvieh Bull. A couple years passed and in March of 1997, we bought a Registered Bull and Cow from Gary Holst. A Bennett Premier Z104 son and a Polled Dundee daughter! That same year Prairie Grove Gelbvieh became an AGA Member. In the spring of 1998, our farm sold its first Registered Bull private treaty. Prairie Grove started to progress from there and decided it was time to get into the show industry; we exhibited a Gelbvieh bull at the 1999 ISF and later consigned our first Gelbvieh Bull to the Iowa Beef Expo in 2000. We even had the highest selling bull and female at the Iowa Beef Expo.

When Emily and Cade started showing PGG cattle the success rose from there. They have bred and owned two National Champion Steers, a Reserve Champion Gelbvieh Bull, multiple Grand Champion Cow-Calf pairs (featured on the sale), and several class winners. Prairie Grove Gelbvieh has also had several heifers purchased and exhibited by other juniors at Jr. National Shows. Collectively as a family, we have attended nine AGJA Junior Nationals, giving each of us an experience to cherish for time, especially Cade as he served on the 2019-2021 AGJA Board of the directors.

The Gelbvieh herd that we are selling today is 28 years old, with influences from other breeders as Emily and Cade have bought heifers from many great gelbvieh producers. Over these last 28 years, this tremendous herd has grown to be very unique as we have cattle to fit the needs for all. Prairie Grove Gelbvieh has genomic enhanced over 20 head to advance your breeding program. Thanks for your interest in our Gelbvieh program and your purchases you've made in the last 2 1/2 decades. I will say it is true, the best people in the world are people that raise cattle! Our family has met so many caring people within the Gelbvieh Breed that we are glad we got to know them and created long lasting friendships. I will hopefully get to see my Gelbvieh friends soon, like on Nov. 6, but if not, probably at the 2022 ISF as a spectator.

Thank you and God Bless!

Terms and Conditions

This is a complete dispersal sale. All sales are final with no guarantees. All cattle and sale book information is believed to be correct and represented to the best of our knowledge.

Supplement Sheet

A supplement sheet will be available sale day with updated information. The supplement sheet and announcements from the block take precedence over the catalog.

Online Videos

View online videos online at
www.mms.bz or www.prairiegrovegelbvieh.com

Registration Papers

All registrations on the animals selling are in order and will be transferred to the new owner. Registrations will be processed by the AGA and should be to the new owner in 45-60 days.

Sale Location

GPS Location
Prairie Grove Gelbvieh
17612 130th St
Danville, IA 52623

Sale Cattle Viewing

All sale cattle will be available for viewing at Prairie Grove Gelbvieh on Friday, November 5 until sale time. If you wish to view sale offering prior to November 5, please contact Greg Cameron to view the cattle at the ranch.

Sale Day Meal

Prairie Grove Gelbvieh will provide a meal on sale day starting at 11:30

Transportation

Transportation of the cattle selling is the buyers responsibility. If assistance is needed please contact Greg Cameron or MMS.

Health

All cattle sell with a valid health certificate that will allow shipment anywhere in the continental United States. Any state that requires extra testing for shipment is responsibility of the buyer.

Liability

All persons attending the sale do so at their own risk. Sale hosts and/or the sale management assumes no liability for accidents, theft or damages occurring at the sale facility.

Register and Bid Live Online

This sale will be broadcast live on the internet.

Lot 1, AKA Big Red, was purchased from Hojer GV Ranch. Allan and Blake were gracious enough to sell her to us as a show heifer and future donor. She was Grand Champion Cow/Calf at the Big Red Classic in Grand Island and show successfully throughout her career. She has never been flushed, however her production record proves she should be in a donor program. She is a high volume cow with excellent maternal values. She ranks in the top 25% for both weaning and yearling performance and top 30% for marbling. Daughters sells as lots 1A and 2. be sure to look at these females as well. AI'd 04-27-2021 to PVF Insight. PE 05-02-2021 to 07-14-2021 to BNC D6268. Safe and due on 02-04-2022

First calf heifer. Her calf was born 3-28-21. Nice made bull calf just not old enough for the bull pen. She is super good disposition and very nice udder. Her dam, MS Prairie Yancy goes back to my Sally cow and that is why she probably has a great udder. We sold several offspring out of Sally at the Iowa Beef Expo through the years.

PE 5-2-2021 to 9-1-2021 to JKGF D020. Due end of April.

Cade showed her as a bred heifer at the 2019 Jr. Classic in Tennessee. She was also shown at the DMC Co. Fair and made it to the Southeast Iowa Show Down. She has a super good heifer calf on her side 72J. She is out of 419X bull that makes really good females. This pair is one of the top sale lots that is being offered. REALLY GOOD!

GE EPDs. We purchased this bull in 2017 from Hojer Ranch. I can't say enough about what this bull has done in our program. Don and I feel it has done everything we could of hoped for in a bull. One year he bred over 50 cows for us! He is a complete sire. Intake and carcass are superb. Birthweights on his calves are good with excellent performance. Proof of this sire is in his daughters selling in this sale. Selling full interest and full possession.

GE EPDs. Purchased this bull from Chad Struthers as a 2 yr old. He came out of the J & K Gelbvieh program in Illinois. We used him on heifers successfully. The marbling is high in this bull and it has helped my herd with marbling EPDs. He is still a strong, sound, athletic bull. Top 5% for marbling. Selling full possession and 50% semen interest. 50% semen interest is owned by J & K Gelbvieh Farm.
